& Matrix Reimprinting
presented by Susie Shelmerdine

Join International Matrix Reimprinting trainers in Vejle, Denmark and supercharge your tapping skills.

These workshops are for EFT and/or Matrix Reimprinting practitioners who would like to expand on their practical knowledge and discover more skills to help themselves and their clients.

Discover how the techniques on these workshops can improve your clients transformation and offer deep and profound work

"It's serendipity that your workshops join together, thank you for an amazing transformational experience" CM, UK

Workshop investment: £350.00 each

OFFER: book both workshops and receive a £25.00 off each workshop

Contact Anette on 0045-6171 9644 for more information and details on how to secure your place on the workshops

Matrix Birth Reimprinting & life Purpose 23rd & 24th February

Through this informative and practical 2-day workshop, discover how separation from mother at birth and birth traumas can affect our lives. Learn how to find and clear subconscious trauma memories and clear limiting beliefs we made in the womb. Learn how we can resolve these for your clients and for yourself. Sharon will also lead you through a journey of self-discovery to enable you to understand and clear your ancestral / generational patterns, work with past life trauma and discover your life purpose. Discover a new advanced way of using Matrix Reimprinting to help clear clients without the need for their 'stories' and an introduction to using Colour more effectively in your sessions.

On day one we explore

Our birth stories and how they affect our lives today;
How our belief systems that are formed during conception, our time in the womb, our birth and the first 6 years of life
The science behind the importance of natural birth and mother child bonding;
The traumas of adoption, loss of a child, infertility, pregnancy, childbirth memories etc

On day two you will

Discover your life purpose and your soul contract
Learn how past lives are affecting your present
Transform your past life experiences
Clear your ancestral fields
Introduction to the **New Light Matrix technique**
Clear your blocks to reaching your highest potential
Align with your spiritual self and become more connected

Workshop investment £350.00 or £325 when booked with the Realise Your Dreams workshop.

Realise Your Dreams using EFT & Matrix Reimprinting 25th & 26th February

Through this experiential workshop you will discover how to clarify your life purpose and how to use this to supercharge achieving your dreams. There will be practical work on clearing blocks around your purpose, dream and money with a chance to identify and release any bad habits that may be preventing you from success. After the clearing, we then bring in the future energy and for this we use advanced Matrix Reimprinting protocols including a new technique exclusive to this workshop. Action and support will be created to ensure you have success after the workshop concludes.

On day one we discover

Why clarifying your purpose is important for you & clients and how it can direction and success

The blocks that hold you back from being you

How relationships with money effect us all individually

How habits drive us forward and how we can transform them

If the dream is really the dream you or your clients really want

On day two you will

Understand more about comfort zones and how they can be easily transformed

Learn how to get the most from visualisation techniques for you and you client

Accelerate your success with a NEW Future Technique

Learn how to easily install new positive beliefs

Create action and empowerment

Undertake a journey of self discovery that will transfer to your clients

“The workshop was brilliantly structured and flowed superbly well. I loved the step by step approach and the down to earth stages and practices. This workshop definitely delivers what it says..And Susie is a gifted and superb presenter and facilitator.” R.Lewis, UK
